10. BIBLIOGRAPHY/ LIST OF REFERENCES:

All publication cited in the thesis should be presented in a list of references following the text. Students are advised to restrict total no. of references to 200.

The student is responsible for accuracy of the references; Cross referencing or Citation should follow the **MLA/ APA**. Citation of references in the text should be given by first author's last name (No initials) followed by the year. e.g. **(Daniel, 2006)**. When two or more citations is given, list them in chronological order. When there are two authors, include both names, separated by "&" e.g. **(Daniel & Sharma, 2006)**; when there are three or more names, give only first author followed by "*et al*". e.g. **(Daniel et al, 2006)**.

Start the references on a separate page, and arrange citation in alphabetical order by the first author's last name; do not number the citations. List all the authors (do not use *et al.*, in the reference list). When there are two or more references to the same author(s) list them in chronological order.

REFERENCE PATTERN: **Should follow MLA/APA.**
